

V4500 Plus

Heavy Load, Light Start

Crafted specifically for professional and high-displacement vehicles, the TOPDON V4500Plus packs a serious punch. Boasting a peak output current of 4500A, it swiftly revives a diverse range of vehicles, from trucks and trailers to off-road vehicles and boats, in seconds! Plus with the capacity for up to 45 jumps on a single charge, you will always be prepared to hit the road with confidence. But that's not all! The V4500Plus is loaded with features aimed at enhancing your driving experience. With battery testing capabilities and monitor its status through the Battery Lab app, you can stay proactive in preventing unexpected breakdowns. Moreover, with its super-fast charging capabilities, it can charge your smartphone in just 20 minutes.
